

# Genesis in 30 Days

The book of Genesis is the first book in the entire Bible. It covers the creation of the world and how sin entered it and distorted it.

**Challenge: After the daily reading, write down 1 thing you've learned about God. and how it will change the way you live. This will allow you to be intentional in your reading rather than speeding through and forgetting what you've read.**

\* The goal isn't to check off each day. The goal is to grow in your knowledge and understanding of the Bible as well as to grow your faith in God. \* bit of body text
